中国·湘潭
Xiangtan City, P. R. China

Introduction to HNUST 湖南科技大学简介

Hunan University of Science & Technology (HNUST) which evolved from Northern Hunan Construction College founded in 1949, was established in 2003 by the merger of two separate universities: Xiangtan Institute of Technology and Xiangtan Normal University.

The campus covers an area of over 3,003.88 mu (approximately 201 hectares). As a complex of 24 schools, together with Adult Higher Education College, International Education College, Xiaoxiang College, and Sanya Research Institute, HNUST offers 97 academic programs across 12 disciplines. Six disciplines, namely engineering, chemistry, computer science, material science, earth science and environment (ecology), are ranked among the top 1% globally in ESI. It has 7 postdoctoral research stations, 10 doctoral programs, and 50 master programs. According to the 2024 Soft Science University Rankings, HNUST ranks 184th; and according to the US News World University Rankings, it ranked 988th in 2022.

HNUST has a staff of 2,759, including 1,814 full-time faculty. There are 37,367 full-time undergraduate students, 6,815 graduate students, and an additional 4,346 students from Xiaoxiang College.

HNUST has established good cooperative relationships with more than 90 universities in over 30 countries and regions, including the United States, the United Kingdom, Russia, Canada, Switzerland, Australia, Germany, Italy, Sweden, Spain, Austria, Ireland, Japan, and South Korea, etc. It has recruited international students from more than 30 countries and students from Hong Kong, Macao, and Taiwan of China.

Introduction to International Education

The School of International Education at Hunan University of Science and Technology was established in 2017 and operates in collaboration with the International Exchange Office and Hong Kong, Macao, and Taiwan Affairs Office of the university. From the beginning, the school has adhered to the concept of a global community with a shared future, striving to create a new chapter in international education for the modern era. It promotes the university's internationalization from a global perspective and aims to build a high-level, comprehensive institution with distinct characteristics—leading in China and influential worldwide.

The school has actively established strong cooperative relationships with nearly 90 universities across 30 countries and regions, including the United States, the United Kingdom, Russia, Australia, Germany, Italy, Sweden, Austria, Ireland, Japan, South Korea, Thailand, Malaysia, and Vietnam, as well as Taiwan and Macao. In 2015, it was first approved for the "National High-End Foreign Experts" program and the "Hunan Province 100 Foreign Experts Program."

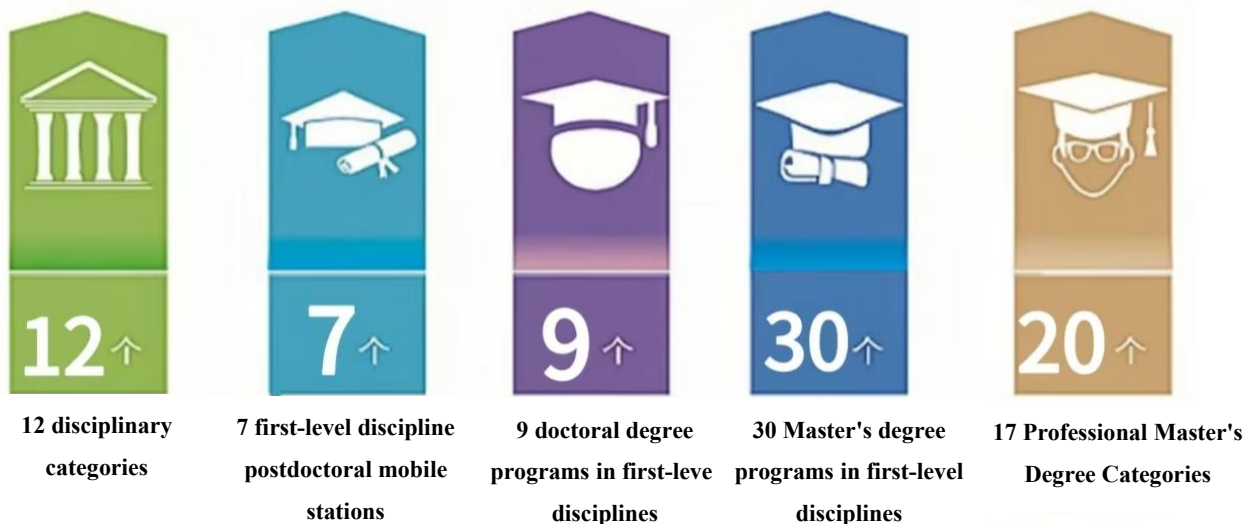

Since gaining approval to enroll international students in 2011, the university's 18 colleges have offered 58 majors to outstanding students from around the world. The international student population has expanded rapidly, now representing 31 countries. The university provides education at multiple levels, including undergraduate, master's, and doctoral programs, forming a system primarily focused on degree education, supplemented by long- and short-term Chinese language training. The annual enrollment exceeds 100 students, and currently, more than 200 international students are studying on campus.

Why Choose HNUST

A Wide Range of Specialties

The university consists of 24 teaching colleges, along with the School of Continuing Education, the School of International Education, and Xiaoxiang College (an independent college). It offers 97 undergraduate majors across 12 disciplinary categories, including science, engineering, literature, education, philosophy, law, economics, management, art, history, agriculture, and interdisciplinary studies.

Six disciplines—engineering, chemistry, computer science, materials science, earth science, and environment/ecology—rank in the top 1% of the ESI global rankings. The university has 7 first-level discipline postdoctoral research mobile stations, 9 first-level discipline doctorate authorization points, 30 first-level discipline master's degree authorization points, and 20 professional master's degree authorization categories. It also holds the recommendation qualification for outstanding undergraduate graduates to pursue a master's degree without taking the entrance examination, as well as the "Master-Teacher Plan" exemption qualification.

The university has been recognized for its academic excellence, including:

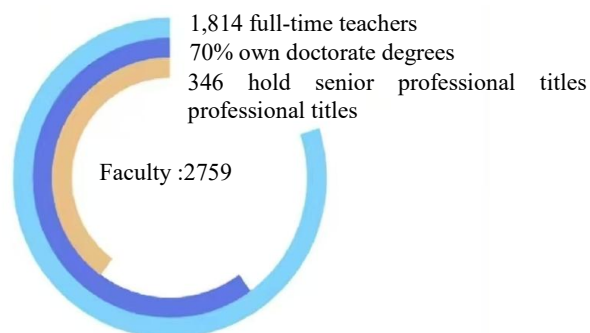

- **One "World-Class Cultivation Discipline"** in Hunan Province
- **Five "14th Five-Year Plan" Key Disciplines** in Hunan Province
- **One superior characteristic discipline group** of Hunan provincial universities

Well-qualified Faculty and Staff

HNUST currently employs 2,759 faculty and staff, including 1,814 full-time teachers, among whom 346 hold senior professional titles. Approximately 70% of full-time teachers have earned a doctoral degree.

The faculty includes 2 specially appointed academicians and 11 individuals selected for national high-level talent programs or equivalent recognitions. Additionally, 106 faculty members have been selected for provincial high-level talent programs or equivalent honors.

More than 10 faculty members have received prestigious national awards, such as National Outstanding Engineer (first batch), Role Models of the Times, National Distinguished Teacher, National "Most Beautiful Teacher" , National Model Teacher, and National Excellent Teacher. The university also has two Huang Danian-style teacher teams recognized at the national level.

Campus Highlight

HNUST currently enrolls 37,367 full-time undergraduate students, 6,815 postgraduate students, and 4,346 students at Xiaoxiang College (an independent college).

In recent years, many outstanding students have emerged, including members of the Mathematical Modeling Competition Science and Technology Innovation Team, recognized as a "Xiaoping Science and Technology Innovation Team" among national college students. Notable individuals include:

- **Wang Su**, winner of the China Youth Science and Technology Innovation Award
- **Xiao Min**, honored as a National Outstanding Communist Youth League Member
- **Yang Yuni**, a member of the 14th National Committee of the Chinese People's Political Consultative Conference
- **Zhong Yuanjun and Xiao Pan**, recognized as Chinese College Student Self-Improvement Stars
- **Li Bolin and Peng Lanxi**, ranked among the Top Ten Educational News Figures in Hunan Province
- **Lin Zhi**, the first "Most Beautiful College Student" in Hunan provincial universities

Many students go on to pursue further studies at prestigious institutions or dedicate themselves to serving the country where they are needed most, embodying the spirit of youth and ambition.

Strong Platform Support & Rich Academic Atmosphere

HNUST maintains 45 national and provincial/ministerial-level platforms for natural science and technological innovation, along with 19 provincial research bases dedicated to social sciences.

Since the commencement of the 12th Five-Year Plan period, the institution has undertaken 988 national-level research initiatives, including projects under the 863 Program, 973 Program, National Key Research and Development Program, National Natural Science Foundation projects, and National Social Science Foundation projects.

The university's research achievements have been recognized with 225 national and provincial/ministerial-level scientific research awards. Intellectual property accomplishments include 3,786 nationally authorized patents and software copyrights, with 234 scientific research outcomes successfully commercialized for practical applications.

Well-equipped Facilities & Abundant Resources

HNUST spans 3,003.88 mu (approximately 200 hectares) with a building area of 1,184,300 square meters. The total value of its teaching and scientific research equipment amounts to 752.4 million yuan, and its library collection includes more than 7.54 million paper-based and electronic documents.

The campus boasts beautiful landscapes, featuring cherry, lotus, rhododendron, pomegranate, osmanthus, pomelo, plum, and pine gardens, where flowers and trees bloom in vibrant competition throughout the four seasons. The picturesque Ming Lake, Yue Lake, and Taiyang Lake complement one another, enhancing the campus's natural beauty.

Additionally, the university offers modern sports facilities, including a real-ice rink, a taekwondo hall, a basketball hall, and a fencing hall, making it an ideal environment for both study and recreation.

Student Support Services

HNUST offers scholarships and grants for outstanding international students. Additionally, the cost of living in Xiangtan City is relatively low, making it an affordable place to study.

Located in the core urban area of Xiangtan City, the university enjoys convenient transportation. It is approximately a 20-minute drive from both the high-speed railway and inter-city railway stations and about an hour's drive from Huanghua Airport. With the opening of the Changsha-Zhuzhou-Xiangtan Metro West Ring Line this year, travel to Xiangtan now takes just 30 minutes, while reaching Changsha from the university takes less than 20 minutes.

The School of International Education provides standard double-room dormitories for all international students. Each dormitory is equipped with air conditioning, wireless internet, private bathrooms, balconies, and access to public kitchens, ensuring a comfortable living environment.

Beautiful Campus

Disciplines & Majors

Bachelor's Degree Programs

Disciplines	
Mining Engineering	Civil Engineering
Safety Engineering	Engineering Mechanics
Environmental Engineering	Intelligent construction
Emergency Technology and Management	Building Environment & Energy Application
Mechanical Design Manufacture & Automation	Electrical Engineering and Automation
Detecting & Control Technology and Instrument	Chemistry
Vehicle Engineering	Pharmaceutical Engineering
Marine robots	Architecture
Intelligent Manufacturing Engineering	Urban Planning
Computer Science and Technology	Visual Communication Design
Chinese Language and Literature	Product Design
History	English (Business)
Journalism	Teaching Chinese to Speakers of Other Language
Advertising	Exploration Technology and Engineering
International Economics and Trade	Geographical Science
Business Management	Geographic Information Science
Physical Education	Remote Sensing Science and Technology
Physics	Fine Arts
Electronic Information Science and Technology	
Duration: 5 years for Architecture and Urban Planning; 4 years for the other majors	

Master's Degree Programs

Disciplines	
Mechanical Engineering	Fine Art and Calligraphy
Instrument Science and Technology	Chinese Language and Literature
Machinery	International Chinese Language Education
Computer Science and Technology	Education
Design Studies	Psychology
Design	Physical Education
Architecture	Applied Economics
Materials Science and Engineering	Business Management
Chemistry	Finance
Chemical Engineering and Technology	Accounting
Resource and Environment (Environmental Engineering)	Civil and Water Conservancy
Resource and Environment (Safety Engineering)	Civil Engineering
Resource and Environment (Mining Engineering)	Surveying and Mapping Engineering
Mining Engineering	Geological Resources and Geological Engineering
Safety Science and Engineering	Resources and Environment
Foreign Language and literature	Journalism
Translate	Physics
Duration: 3 years	

Doctoral Degree Programs

Disciplines
Applied Economics
Mining Engineering
Safety Science and Engineering
Mechanical Engineering
Software Engineering
Civil Engineering
Chemistry
Duration: 4 years

1+X Chinese Language Student Program

The Chinese Language Student Program at our university follows a **1+X (Language + Degree) model**. Students first study Chinese for one year, and if they meet the required language proficiency and admission standards, they may be admitted to a degree program at Hunan University of Science and Technology upon successful assessment. The duration of their degree studies will follow the standard academic system.

Before enrolling in the program, students must sign the **Informed Consent Form** for the 1+X Chinese Language Student Program.

Scholarships are available for outstanding students, which cover tuition and accommodation fees:

- Hunan Province "Belt and Road" Language Student Scholarship
- Hunan University of Science and Technology "Belt and Road" Language Student Scholarship

Note: Only one type of these scholarships is offered..

Study Duration

The 1+X model refers to one year of Chinese language study followed by the standard academic duration of the chosen degree program (X)

- **Language Student: 1 year** (After completing one year of language training, students must obtain HSK Level 4 with a minimum score of 180 to qualify for a degree program.)
- **Undergraduate: 4 years** or **5 years**
(for Architecture and Urban-Rural Planning majors).
- **Master's Degree: 3 years**
- **Doctoral Degree: 4 years**

Fees & Scholarship

Fees for 1-Year Chinese Language Student Program

Tuition	CNY 17,000 / year
Accommodation	Double Room CNY 500 /Month; Single Room CNY 1,000 /Month (Free for students from “ One Belt One Road ” Countries)
Registration	CNY 400
Books	About CNY 1000 /Year (adjust depending on the actual books used)
Electricity	About CNY 0.6/ kilowatt hour (>5 kw-hr /month each room)
Insurance	CNY 800 /Year
Other fees	Medical Examination: CNY 160~500
	Residence Permit: CNY 400 /Year

Fees for Bachelor/ Master/ Doctoral Program

Tuition	Bachelor’s program (Liberal Arts): CNY 15,000 /Year Bachelor’s program (Science and Engineering): CNY 17,000 /Year Master’s program (Liberal Arts): CNY 20,000 /Year Master’s program (Science and Engineering): CNY 22,000 /Year Doctoral program (Liberal Arts): CNY 24,000 /Year Doctoral program (Science and Engineering): CNY 26,000 /Year
Accommodation	Double Room CNY 500 /Month; Single Room CNY 1,000 /Month
Registration	CNY 400
Books	About CNY 1000 /Year (adjust depending on the actual books used)
Electricity	About CNY 0.6 / kilowatt hour (>5 kw-hr /month each room)
Insurance	CNY 800 /Year
Other fees	Medical Examination: CNY 160~500
	Residence Permit: CNY 400 /Year

Scholarship Program for Students in Language Year

- One Belt and One Road Language Student Scholarship of Hunan Province
- One Belt and One Road Language Student Scholarship of HNUST

Only one type of these scholarships is offered.

It covers

Tuition Fee: CNY 17000/Year

Accommodation Fee: CNY 5000/Year

Scholarship Programs for Bachelor's / Master's / Doctoral Degree Students

For Students in the first year at HNUST

- **Scholarship for Students in the first year in Chinese/ English -taught Program**

It covers

Tuition Fee: Full funding or **half funding** (depends on the entrance assessment results)

Tuition support	Full funding	Bachelor's degree student	15,000 or 17,000 yuan/year (depending on the major)
		Master's degree student	20,000 or 22,000 yuan/year (depending on the major)
		Doctoral degree student	24,000 or 26,000 yuan/year (depending on the major)
	Half funding	Bachelor's degree student	7,500 or 8,500 yuan/year (depends on the major)
		Master's degree student	10,000 or 11,000 yuan/year (depends on the major)
		Doctoral degree student	12,000 or 13,000 yuan/year (depends on the major)

Accommodation Fee: CNY 5000/Year (only for students from "Belt and Road" countries)

For Students who studied for more than one year at HNUST

- **Scholarship for Bachelor's Degree Students**

It covers

Tuition Fee: CNY 7500-17000/Year (tuition support based on the conditions specified in admission letter)

Accommodation Fee: CNY 5000/Year (only for students from "Belt and Road" countries)

Allowances for Living Expenses: CNY 2000-10000/Year (depends on individual performance at HNUST)

- **Scholarship for Master's Degree Students**

It covers

Tuition Fee: CNY 10000-22000/Year (tuition support based on the conditions specified in admission letter)

Accommodation Fee: CNY 5000/Year (only for students from "Belt and Road" countries)

Allowances for Living Expenses: CNY 5000-25000/Year (depends on individual performance at HNUST)

- **Scholarship for Doctoral Degree Students**

It covers

Tuition Fee: CNY 12000-26000/Year (tuition support based on the conditions specified in admission letter)

Accommodation Fee: CNY 5000/Year (only for students from "Belt and Road" countries)

Allowances for Living Expenses: CNY 12000-60000/Year (depends on individual performance at HNUST)

Note: HNUST international affairs office reserves the right of revision these fees.

Documents Required

1. Digital Photo (requirement: color 2-inch certificate photo with no border on white background, head accounting for 2 / 3 of photo size, photo size not less than 320 * 240 pixels, height width ratio of 4:3, size of 100-500kb, JPG format)
2. The Information Form of Family Members
3. The digital scan of Passport
4. Foreigner Physical Examination Form (**within 6-month validity period**)
5. The digital scan of a Certificate of the highest diploma (or proof of expected graduation) with certified English translation
6. Copy of HSK 4 Certificate above 180 or HSK5/6 (for degree study) with score report of HSKK.
7. Non-Criminal Certificate (**within 6-month validity period**)
8. Official Transcript with certified English translation
9. Two Letters of Recommendation from professors or associate professors (for Master's Program/ PhD program) in English
10. Research Proposal (more than 800 words for Master's Program and more than 3000 words for PhD program)
11. Applicants for studying Art are required to submit their own painting or design works
12. Scanned copies of Published Academic Papers or other Research Results(for Master's Program/ PhD program)
13. Applicants are required to provide a 5-minute self-introduction video for HNUST initial review, and upload it to HNUST International student application system (<http://hnust.at0086.cn/StuApplication/Login.aspx>). It should be in either Chinese or English, and include an applicant's academic background, study plan, personal strengths, and aspired career choice upon graduation.
14. Bank Deposit Certificate of the Required Amount.

Note: 1.Applicants with Economics or Management foundation and have studied Higher Mathematics are preferred for applying Master's Program in the Business School.

2.Applicants with Economics or Management foundation and have studied Calculus, Linear Algebra, Probability Theory and Mathematical Statistics are preferred for applying PhD programs in the Business School.

Application and Admission Procedures

- ▶ Online application: <http://hnust.at0086.cn/StuApplication/Login.aspx> ;
- ▶ Download the “Foreigner Physical Examination Form”, “The Information Form of Family Members” and “Application Form for International Student Study at HNUST” from the website <http://dwill.hnust.edu.cn/zlxz/lhlx/index.htm>.
- ▶ Fill in the “The Information Form of Family Members” and do physical examination at the local public hospital as requested. The medical examinations must cover all the items listed in the Physical Examination Record for Foreigner. Incomplete records or those without the signature of the

attending physician, the official stamp of the hospital or a sealed photograph of the applicants are invalid. The medical examination results will be valid for 6 months.

▶ Hunan University of Science & Technology organizes an expert panel to review application documents and make the final selection.

▶ A video interview or face-to-face interview will be held by International Education College for applicants whose documents are approved.

▶ Admission result will be sent by email in the application system.

▶ **Admission Notice** and **Visa Application Form (Jw202)** will be promptly mailed and emailed to the applicants. Please double-check the mailing address and email address when completing the online application.

▶ All applicants must take an interview organized by corresponding colleges before officially enter into school. Those who fail in the interview will not be admitted.

Note: The application documents will NOT be returned regardless of the result of application.

Accommodation Information

▶ **Single-bed room at Residence Hall:** CNY1000/Month

▶ **Double-bed room at Residence Hall (shared by two):** CNY500/Month/Person.

The Residence Hall is a separate 6-storied building, which can hold 280 international students. The building is equipped with entrance guard system and monitoring system. There is a public kitchen, dining hall and laundry place on each floor, equipped with public refrigerator, washing machine, Electromagnetic furnace and dining tables and chairs.

Each room is provided with a bedroom, an independent living balcony, an independent washroom, two individual beds, two wardrobes, two bed stands, air-conditioner, and hot water.

Application

★ **Identity:** Non-Chinese citizens with good physical, mental health and excellent academic and moral character.

★ **Ethical Requirements:** Have no criminal record, and comply with the laws and regulations of the Chinese government and the school's rules and regulations.

★ **Age requirements:** Applicants are required to be high school graduates or above, aging 16-35 years old, applicants for a bachelor's degree must not exceed the age of 25, applicants for a Master's degree must not exceed the age of 30.
